Job Specification:

You will be developing commercial software through all stages of a Software Development Lifecycle. You will work closely with other team members, including hardware and software engineers to produce system solutions. It is anticipated that you will project manage your own tasks within the scope of the overall project and liaise with other team members/partners with minimal supervision.

Essential Experience:

Minimum 5 years industrial experience of:

- Software design and implementation
- GUI Design and Implementation
- C/C++
- Object Oriented Design
- Significant Development experience under both Linux and Windows Operating Systems, and including working knowledge of Linux scripting and administrator level knowledge of Linux configurations.
- Experience in multi-threading, IPC and sockets programming
- Building relationships with colleagues across all departments; technical and non technical.

Desirable Experience:

- IDE's (Visual Studio, Netbeans)
- GNU Tool Chain
- Databases (SQL)
- Apache and PHP (LAMP)

- Python
Java/C#
- SVN/GIT
- Linux kernel modules, kernel patches development experience
- Open source development experience
- Image processing
- Basic familiarity with Perl, Apache, PHP and MYSQL

Benefits:

The benefits include

- 25 days annual holidays in addition to local statutory holidays
- Health and life insurance
- Pension Scheme

Further Information:

If you meet these requirements, we would like to hear from you. Please send your CV with a covering letter about yourself to recruit@omniperception.com.

OmniPerception Ltd is committed to equality of employment and the opportunities within employment.

Please note we are unable to apply for work permits on behalf of candidates. Candidates must have the right to work in the UK on a permanent and unrestricted basis.

Note for recruitment agencies: If you represent an agency please do not send CVs to anyone at OmniPerception in any format. OmniPerception is not liable for and will not pay any fees for any candidates submitted to them by any agency other than its agreed preferred supplier list. Any CVs sent to us will be considered your company's gift to OmniPerception and will be forwarded to our chosen recruitment partners for their attention.
